Congratulations to  
Our 2025  
Proxime Accessit of  
Woodville High School  
**ERIC**  
ATAR 94.25

The Woodville High School community takes immense pride in celebrating the remarkable achievements of our 2025 Year 12 students. We wholeheartedly congratulate every student in this graduating class, recognising not only their outstanding academic results, but also their success in sport, creative and performing arts, music, co-curricular activities, and social justice initiatives. Their wholehearted engagement in all facets of school life exemplifies the drive, dedication and aspiration that are the hallmarks of Woodville High School.

We are delighted to announce that every member of the Year 12 cohort, 134 students in total successfully attained their South Australian Certificate of Education (SACE), a testament to their perseverance and effort. Among our graduates, special congratulations go to Kane, who achieved the highest ATAR of 95.9, and to Eric who followed closely with an impressive 94.25. In total, seven of our graduating students attained an ATAR above 90, placing them in the top 10 percent of students across the state:

- Kane – 95.9
- Eric – 94.25
- Elizabeth – 92.75
- Yasmina – 92.65
- Edin – 92.3
- Duc – 91.7
- Ailsa – 91.25

These accomplishments reflect excellence across a diverse range of disciplines, highlighting our students' ability to leverage their unique strengths and talents in pursuit of personal bests. Yet, the story of the 2025 Graduating Class goes well beyond statistics and results. It is equally a story of personal growth, character formation, and the enduring values our students carry with them into the world.

We are proud to share that, over the past five years, our school's average grade for Stage 2 subjects has consistently improved, demonstrating our collective commitment to academic excellence and lifelong learning.

We encourage each of our students to take the values they have lived and learned at Our Woodville with them, and to continue building a future filled with purpose, leadership, and compassion.

Congratulations to the outstanding Woodville High School Year 12 cohort of 2025. As a school community, we extend our best wishes for your continued success. I would also like to gratefully acknowledge the unwavering dedication of our teachers, ancillary staff, and families who have supported and inspired our students throughout their educational journey.

At Woodville High School, we believe that true education extends beyond the classroom, fostering not only academic growth but creativity, service, innovation, and curiosity. These achievements are the result of a wonderful partnership and a shared vision for improvement across our entire school community.

We are immensely proud of the progress we have collectively made in all areas of the school throughout 2025.
