2027 Year 7 Transition Timeline for Families

Our transition program is designed to support your child to transition from primary school to Woodville High School. Through a range of carefully planned activities and events, students and families have opportunities to become familiar with our school, meet our staff and future classmates. Our aim is to build confidence and develop a sense of belonging before students begin Year 7 in 2027.

This timeline provides an overview of the key transition events and important dates throughout the remainder of the year for our future Year 7 students and their families.
